

“Never” is Not the Right Answer

You may be tempted to answer, “Never.”

But that’s not a good answer.

Am I allowed

- to come into your apartment as I please and
- use your television,
- eat your food, and
- so forth?

So you want to monitor my behavior, control me, and perhaps even disallow my visits?

You probably even expect me not to visit unless you explicitly invite me to do so.
