## Part I. (Do by yourself)

1. Decide whether each of the objects above is a sandwich, and mark them in some way (e.g. check for “yes”, x for “no”).

Also, there is no right or wrong answer here — What do **you** think??

2. Write down a definition of “sandwich” that matches your choices.

3. Give two objects (not pictured above) consistent with **your** definition:

(a) An object that is a sandwich:

(b) An object that is not a sandwich:
