

New this Semester (for all 11x and 21x classes):

No Swapping sections -- with over 5000 students it's *impossible* for us to keep track of this. Therefore - if your lab/quiz isn't done in your assigned section, it won't be graded.

Not New, but Still Very, Very Relevant:

You may NOT miss a lab or discussion section because of an exam in another course. It is University policy that the other course **MUST** offer a conflict exam. Feel free to let your other instructors know this.

Sort of New:

Prelectures

- 10 over the semester; see online Calendar for due dates
- DON'T just click through - defeats the whole purpose
- If an Exercise is 'stuck', use the Play bar to 'unstick' it
- Written scripts may be viewed using the lower-rightish icon
