

# Lectures Use iClickers

See “iClickers” on the web page.

- We'll award a point for every lecture attended, up to 15 maximum.  
“Attended”  $\equiv$  responded to  $\geq 1/2$  of questions. We don't grade your response.  
It doesn't matter which lecture you attend.
- Batteries: If the battery-low indicator flashes, you still have several lecture's worth of energy, i.e., *NO iClicker EXCUSES*.
- Everyone will get iClicker credit for lecture 1, so:
  - . Don't worry if you don't have yours today.
  - . Don't assume that credit in the grade book for lecture 1 means you've properly registered (wait ~2 weeks to see).
- Once again: *NO iClicker EXCUSES*.
